“ *The Parris family was just that like our second family. For years we took trips to the lake, we went to st Louis on the train to the zoo with the kids, to Branson. We had cook outs and just lots of time together. Pam and I had a Sunday night get away to the movies a weekly outing for years as well as many movies wit the kids. Memories that will never be forgotten with Adrian, Pam, Luke, Adam, and Megan and watching our kids become adults.*
