

## Pamela L. Spalding

March 1, 1949 - February 11, 2026

Pamela L. Spalding, 76, of Kansas City, Kansas, passed away on February 11, 2026.

Pamela was born on March 1, 1949, in Kansas City, Kansas, to Vinchinzo and Lynn Vaccaro. She was a devoted wife, mother, grandmother, and great-grandmother who cherished her family above all else.

She is survived by her loving husband, David Spalding; her daughters, Phyllis Melendez (Jose) and Allison Rank Dummermuth (Derek); four grandchildren; and four great-grandchildren.

Pam, as most knew her, was a Certified Public Accountant who owned and operated her own business. She built a loyal following of clients whom she enjoyed serving year after year. She was an enthusiastic follower of politics and a dedicated supporter of the Republican Party. She loved cheering on KU basketball and was a season ticket holder for many years. She also shared her love of the performing arts with her daughters as a longtime subscriber to the Kansas City Broadway Series.

Pam had a generous heart. She faithfully supported St. Jude Children's Research Hospital and found great joy in adopting families in need each Christmas. She loved traveling internationally with her daughter, visiting Canada, Europe, and Mexico on several occasions.

A strong and spirited Italian woman, Pam grew up helping her family run a grocery store, Western shop, and restaurant. She rode and showed horses, played the accordion, and served as majorette of her high school marching

band — a reflection of the confidence and determination that defined her throughout her life.

Her legacy lives on in the values of hard work, resilience, and devotion to family that she instilled in her daughters.

The family will gather for Mass in her honor and host a private celebration of her life.

In lieu of flowers, the family suggests donations to St. Jude Children's Research Hospital.
