“ *What can you say about a woman who has been there for so many people.*

You have taken in and raised so many as they were your own. When my father (Mike Molina) passed away you made sure Larry and I could be there for the funeral. When my dad asked you to be my legal guardian until I finished high school you were there. I will for ever cherish the holidays you and Cathy have spent with me and my family. Love you forever, give my dad and big rabbit a hug for me.
