“ I remember the summer before our sophomore year. Pat, myself, Cathy, Michelle, and a few other friends, all entered the Miss Sun n Surf contest. We would only do it if we all did it. And Pat was 1st runner up, she was beautiful in a bright orange bikini and her tan skin. My mom recorded it on the old 8 mm tape. We had a really fun summer that year. She was a beautiful young woman. I know she will be missed terribly by her family and all that knew her. Such great memories.

I will see you again someday. It was a great time when we lived on the same block growing up and attending school together for most of the time. R.I.P. Patty
