*My dearest sister, friend, mentor, beloved Patty,
We shared so much together; I honestly don't know how to imagine life
this side of heaven without you. Knowing that I must, I will. But after 57
years of being with you I can't understand where to begin. I am so very
thankful that you shared your joy, your plans, your happy, and not so
happy times. With all of this wrapped together you presented yourself
to all of us as a loving and brave warrior, lending an ear, extending a
hand, whispering a prayer for the very least of us. I love you so, so
much. My heart is torn; my spirit is lonely. All who knew you must share
these feelings. Thank you for your example of what the Love of Christ
should look like, and for being His hands and feet in the time He
allowed you to be present in our lives. I pray that the things you have
shown & taught will continue to bear fruit unto times everlasting. I can't
say goodbye. Instead, I will look forward to the next time I see you in
the Presence of our Lord. Shalom & Shalom*

My Special Sister ~

*I served the cake, you poured the tea
We built a house under the tree
In grown up clothes we played all parts
Secrets told, we crossed our hearts*

*Through all the years, the smiles and tears
First true loves ... and football cheers
I've never found a friend so true
I'll love you Sis, my whole life through*

*Forever Sisters,
Carol*

I know i have a long way to go to be invited through those pearly gates with you but I do know with out a doubt that you have given me the tools, knowledge, and desire. Mama I know I have such a long way to go to ever be worthy but with you as my angel I know my family and I can be there holding your hands as we enter together.
