“ I was a hundred miles from home and Gail and her husband were a hundred miles from their home but in different directions. Suddenly there they were and we hadn't seen each other in a number of years. It was very special seeing and visiting with them. She was a lovely lady that always had a smile for everyone.

“ My condolences go out to you, Don, and your family. I worked with Gail for many years at Hickman Mills and just know that she was a valued employee of Hickman Mills and a good friend to many.
