“ *Don and family, I was very saddened to hear of Pat's passing. You were lucky to have been given such a wonderful wife and mother like Pat. Her main concern was always about her family, and I know she cared deeply for all of you. She was a wonderful friend and neighbor and we all are grateful to have known her. She will be missed and mourned by all.*

*Our love, Juanita and girls*

“ Don, Donnie, Mark, Mike and Families;  
My parents (Dale & Wilma Willis, next door neighbors on 28th street till 1973) and myself send our sincere condolences on the loss of Pat. I remember her welcoming me into your home after school even for dinner sometimes until my parents could get home. Without Pat's influence I might have been running the neighbor instead she always made me feel like I had a place to go.

*Just a few weeks ago I was relating a story at work about myself and Donnie getting a stern lecture from Pat because we were letting Mike and Mark play along the retaining wall with us and they could have been hurt but in the next minute she was hugging us and telling us to be careful next time. She was truly a remarkable women and I know will be missed by many.*

*Our thoughts and prayers are with all of during this difficult time.*

“ Pat was a wonderful person who always had a smile for the students (like me) who would walk into the office at Highland Junior High back in the late 1980's. Her and her husband, Don, were family friends for many years and were there for my mother when my father died in 1999. Although I had not seen Pat for several years, her and Don's continued friendship with my mother in Kansas City, Kansas meant a lot. I'm so sorry to hear of her passing. May God comfort Don and the family in these days. --- Dan Swan - Mooresville, NC ---
