“ *I worked with Mrs Morgan as her CNA and immediately we became very close. I left the facility several years ago but still would talk with her by phone on occasions until I moved away. I am so sadden to learn of the passing of my special friend. I still have many of our little notes we would write to each other and I will forever hold them dear. My sincere condolences to the family. I know that I am late but I am just learning of her passing. God bless you all. Carmen Harris*

“ All four of our daughters attended Bishop Miege ('03, '07, '08, '12) when Patty worked in the Development Office. She was always positive, fun, funny, helpful--and simply a kind and friendly face. We send our most heartfelt condolences to her family at this difficult time. I specifically remember her being especially helpful to our daughter Kathleen when she was a Student Council officer--and also as the head varsity volleyball coach. I will always remember those kindnesses. Patty made such a difference in so many young people's lives. God bless her--and all of those mourning her loss, including us.

“ I graduated from Argentine High School with Patty and considered her one of the warmest, kindest, and friendliest girls in our class. In middle school I loved when she invited me to their potlucks before the football game, as they lived near the stadium. I picture her in her blue "Mustang "jacket smiling and enjoying friends. Praying for comfort for her loved ones, she'll be missed!

“ *I am so sorry to hear this terrible news about Patty, I worked with her for 10 years at Miego and enjoyed her friendship. She LOVED her grand-kids and I spend many hours learning of their latest adventures, the smile on her face telling those stories was blinding. I know her presence will be missed here, but her spirit will live on in the family she built. My deepest sympathy to all of you.*
