“ So many memories with Patty, Robert and Alex! I worked with Robert at the printing company and I was having trouble with my son’s daycare. Robert told me to go pick him up and take him to his wife Patty. He said she would love on him and take good care of him. He was absolutely right! She was a second mother to Jensen. Patty and I became fast friends. They became my family in KC. Alex and Jensen spent lots of time together, even fought like brothers. I was lucky enough to get to know all of their families too. I always felt welcomed by the Coopers and Olsted’s. Patty and Robert were the best! Our friendship lasted over several decades. We loved when they came out to California to visit us. They were so much fun and always made you feel like part of the family! My most sincere condolences to all who loved her!! I will miss you Patty!!!💔 I know Robert was there, reaching for your hand, to take you HOME! 😊😊
