“ *I had just found out today of the passing of this wonderful lady. I worked both for and with Pat for about 22 years and can truly say that she was one of the best 'boss ladies' I had while working at Montgomery Ward/GE. My thoughts and prayers go out to her family and know that she will always be a sweet memory in my life....*

“ I knew Pat for 24 years working together at Montgomery Ward/ GE. Not only was Pat an intelligent woman, she had one of the best sense of humors I ever got to enjoy. Those two assets mixed together made for some wonderful conversations and laughter. She loved her family and was so proud of all of you. Please know you are in my thoughts.

“ *Serra Family, you don't know how much Mrs. Patricia touched my life. Her warm smile, sense of humor and determination to do whatever it took to achieve her goals were remarkable; however, her undying love and attention for Mr. Carlos demonstrated what true love really is. Mrs. Patricia will be greatly missed. May The Lord bless you and keep you and make His face to shine upon you and give you peace! “ Trish, your mother was a wonderful person. She touched so many lives and I don't think she even realized how she helped others. I am sincerely sorry for your loss. I only wish I could have seen her before she passed. Sending prayers and the Aloha spirit to help you and your family through this time.

“ Trish - and the rest of the Serra family. My sincere condolences on the loss of Pat. You all worked hard to contribute and make her last months as pleasant as possible. It was good that you were able to get even closer with Pat, your Mother. Not all of us have that opportunity. Treasure and love all the good memories. May she find peace in heaven and you find peace in your hearts. ~ Terry Berggren

“ Pat, how do I say goodbye to a someone who has been a friend, a part of my life for the past 40 years. Working together at Montgomery Ward Credit/ GE since we were so young. We always said we spent more time together than with our own families. We saw our kids grow from babies to adults, graduate, go to college, give us grandbabies and the story goes on. Thank you Pat for your friendship, your passion for life (and everything else :). I will treasure the memories we have made. You will truly be missed. Your friend always, Brenda

“ I met Pat Serra at GE Capital. She was one of the finest ladies you could ask for. She was always willing to help you out with a question even if you were not directly in her department. She was always a happy person that loved to laugh. I am so glad that I got to meet her & work with her. She was a lovely lady who will be missed greatly. God Bless all of her family.

“ Pat and I have been co workers, then friends, then best friends. 38 years just wasn't enough time to say all we had to say. Our plan (as we shared with Trish and my Kim) were for the girls to put us both in the same nursing home so we could harass people together, Pat I so miss our 2 to 5 phone calls each day. To know Pat is to love her. I will miss her every day for the rest of my life. Rest in Peace Pat!!!!
