“ *I knew Pat through work for the school district. He was always such a kind person, going out of his way to help us in any way he could. And he always had a smile for all of us. I know his family will always feel the loss, but he will always be with you in your memories and in your hearts. He was one of the good guys. Theresa Collins*

“ To The Santoyo family, May your memories of Pat put a smile on your face because his smile made a room light up. He was always smiling and cracking some kind of joke. We will never forget that about him. He was a good Son, Brother, Father and most of all good friend to have. Pat we will miss you and will always have you in our hearts. May God be with you in this time of need with our deepest sympathy. Love Scott, Vicky, Cailin and Cian Millholland

“ *Pat, it was a privilege to be one of your friends. You were always someone I knew I could talk to, and one of the most genuine people I knew. You were like a brother to me. I love you. I will miss you forever. Things will never be the same without you. If there were only more people like you in this world... Until we meet again good buddy. I love you.*
