Seeing him riding in the neighborhood and his bike outside of his house ... these will be missed, as they have been a part of "our neighborhood" ... he was a huge part. God be with the family always.

Sabrina Vega

Uncle Pat, this is still so unreal and hard to believe and accept. I still expect you to come walking in the door at grandma's with your big smile on your face, or to pass by you on your motorcycle in Argentine. I am so grateful I finally got on that plane to Florida this summer and spent that vacation with the family and had such a great time altogether. Its a time I will never forget. If I would have known the last time I was gonna see you was that Sunday before at grandma's house I would have hugged you and told you I loved you and how much I appreciated all you do. You always included me in your family like I was one of your kids whenever it came to birthday dinners or just going out to do stuff. Things will just never be the same. It kills me inside to know you'll never be here with us again. It just doesnt seem right. Rest in peace Uncle Pat, and ride on in Paradise. But pls watch over us, especially grandma and grandpa. Love you!

“ My thought and prayers go out to Patrick's family. He was a kind and wonderful man and will be missed. Even though it is hard to understand why he was taken so soon from all who loved him, God had a plan and we know he is in good hands. Even though I haven't seen his children for a long time, I think of them often and wanted them to know that they are loved by many. Your aunt, Juanita - Sarasota, FL
