*Patsy is one of the kindest and most thoughtful people I have ever known and I've known her since I was a toddler. She always had a smile and a hug, asked questions about my family and was genuinely concerned. I know that her family and best friends will miss her as I will. May God bring comfort to you in this time of profound loss and may the memories of her and all of your family antics bring you joy and peace as you begin another journey. Love to you all.*

“ Patsy will be greatly missed. Friday night with the girls will never be the same. She loved 54th street grill and PURPLE. Her laugh and love for the Lord was contagious. Thank you God for putting her in my life. God Bless The family.
