“ I always remembered him when I was a child that he always had the sweetest smile. He was always smiling and usually big. My prayers are with the family and friends.

I just as all who knew Paul was taken by him as a dear friend, and being a police officer and a coin collector like Paul, he never had time to spend much time doing what he loved(collecting coins) we spent a lot of time together talking about coins, we had a agreement that when I found a bargain I would get him a set of what ever I bought. I moved to Texas after I left the police dept. and lost contact with Paul, I wish I had kept up our friendship but like him I was so busy trying to make a living, I am just six Months older then he and will see him again I'm sure, for now I want Paul to know I love him and we will se each other again.

“ Paul was an outstanding man that taught me much about being a man. As those that have spoke before me will attest, he never spoke negatively of anyone and ALWAYS had a smile on his face. I will miss you very much, Paul!

“ Paul was a very kind man who always knew how to put a smile on your face. My thoughts and prayers go to Donna and her family during this very difficult time. He will be greatly missed by everyone who knew and loved him.

God saw that he was getting tired and a cure was not to be.
So He put his arms around him and whispered
"Come home with me."

With tearful eyes we watched him suffer and saw him fade away.

Although we loved him dearly, we could not make him stay.

A golden heart stopped beating.

A determined spirit was at rest.

God broke our hearts to prove to us,

He only takes the best.

“ Paul was a gentle man with a keen sense of humor. He had a Giant sweet tooth and a love for anything peanut butter. The main thing I remember about Paul is that, in the entire time I knew him, I never heard him utter an unkind word to or about anyone!! That is a remarkable testament to the kind hearted man he was!!

I will miss him!!
