“ *The Stepp family lived next door to the Berry family for decades. Paul and Donna were great neighbors, and friends. I remember one time Paul threw me a pass which left the mark on my arm the shape of the cross from the point of the football. Man was strong! Scott prosided at my brothers funeral. My deepest sympathy to Donna, David, Randy, Scott and family. Really loved my time on Steele Road living next to great people.*

“ My thoughts and prayers are with you during this time. I have so many memories of Paul from my days at Armourdale, driving us to Sun-N-Surf, and many times of hanging out at the Berry household. He will be missed, but he's in the presence of the Creator now.
