“ *Paul's death came as quite a shock to me. I had just been thinking of and praying for him and Frank. I was hoping in the near future when in Kansas City to visit their home. Paul was almost a daily presence in my life the 20 yrs. I lived st Sacred Heart. He had a special place in his heart for the Sisters, and met our daily needs. Mr. Paul will surely be missed by the parishioners of OLU, especially by me. Eternal rest grant unto him, o Lord, and may the perpetual light shine upon him. My sympathy to Frank and the family. Sister Ann Diettrich, O.S.B.*

“ *Paul was my Padrino and my dad's best friend. He was with us at a lot of family events when I was growing up. Even after Dad passed, 16 years ago, Paul would still come over to visit mom and for family picnics or parties. He did so much for so many, I feel he was a saint. He will be greatly missed. Love you Padrino Paul.*

“ *I got to know Paul when I worked at Sacred Heart for 4 years. He is definitely a Saint he would get Fr. Dolan ready for mass in the morning and then go home and get his brother to work plus all the nieces and nephews he helped get them back and forth to school, then do all his work at the school. We would always see him mowing with that huge mower in the evenings. He would help anyone! In the last few years I would run into him and either the grocery store or Home Depot he always had a smile on his face. He will be greatly missed by all.*
