“ To the family of Paul Petesch.
My prayers and condolences are with you during your bereavement. Paul will definitely be missed and I enjoyed working with him during my tenure at the KCKNDC. He had a great sense of humor and he would make me laugh so hard that I would have a stomach ache and it would make the night go better at work. He was a great friend and I will miss the telephone conversations that we had. Rest in Peace Brother Paul. You will never be forgotten
