“ *Paula was the sweetest, most fun person to be around. We worked in the same cube for a couple years and she's the only cube-mate I really enjoyed. I'm so sorry to hear about her passing and I know her sweet soul is in Heaven. I miss your contagious laugh and wit, Paula. Much love until we meet again.*

“ I'm going to miss Paula at Scout meetings, she did a great job of keeping me on task and making sure Donovan was getting his rank advancement requirements signed off. I will be remembering her when I approve those requirements in the future. Thank you Paula for all that you did for Troop 393 and me.

“ I am sorry to learn of Paula's passing. I worked with Paula at 500 E 8th. I still have and use a handcrafted coffee cup that she gave me for an office gift exchange. I was thinking of her recently while drinking coffee and wondered where life had taken her. I am sure she's in heaven watching over all her family and friends. I pray for God's peace, strength and grace to help you through this time of grief.

“ I worked with Paula at MVP and she was a hoot. Always willing to help others and she was a great party planner for our office. I will miss her smile and quick wit. To all of the Bryant family I am thinking of you and praying for you. I know family meant everything to her. I remember when my cousin made a cancer quilt for an auction for the cancer society. Paula bought the quilt as a surprise and she gave it to me, to keep it in my family and because I had cancer. What a wonderful lady. R.I.P. Paula

“ Lora and Family - I'm so sorry for your loss. Paula was a spitfire and everyone truly loved her!!! We jokingly referred to her as the Martha Stewart of MVP and we can see where you got your love of planning parties - from her. She was one in a million and I'm so glad I had a chance to work with her and to get to know her. Your family will be in my prayers.
