“ Aunt Peggy,
*By now you have been welcomed "Home" by all the other angels who have gone before you. Although we are saddened by your passing, we must also be thankful that you lived your life to the fullest and had no regrets in the way you lived it. I'm sure you are looking over the shoulders of each of your children, grand children, just as you did when you were here keeping them safe from harm. They can all know that every time they start missing you, they can feel your presence through a gentle breeze; or the smell of a cleansing rain or the beauty of flowers in bloom - you are gone from us; but will remain through ever so gentle reminders that you are truly never far away . . . because you live among us as all of our angels do in that special place in our hearts! I will miss you . . . but will smile at all the pleasant memories we will share when we come together to celebrate your life. Love Always,
