“ Most of the world knew her as Penny. I know her as Grams.. I have so many things to say about this amazing woman, I am not sure it will all fit in this small space.. She had a heart of gold. She was so patient, loving, caring, and honest. She was helpful, wise and beautiful in so many ways. I am so sad for the family and friends that knew her. I am so happy for her, she is no longer struggling. She has her wings now like the angel she deserves to be. I love you, Grams!!!!!! Some day I hope to find Peace with you not being here anymore. I have such a big empty space in my heart for you. I miss you sooooo much! Oh, I went to the cheese factory the other day, it's just not the same without you. I will see you at the crossroads so you won't be lonely.. I love you!

DR

Penny was a wonderful women. She guided me, gave me advise and just listened when I needed an sounding board or just a shoulder to lean on or cry on. She was there for me when nobody else was, she never judged and always loved and excepted me for who I was. I know she is watching down upon us from heaven. Love you Mom!!
