“ *I remember the day that my cousin Billy Pottorff introduced me to you. You & Jeff had come out to Cedar Cove to visit Billy. We hit it off right off the bat. You always had a smile on your face whenever I seen you. When you came to Billys after he passed we talked and got even closer with the death of my cousin. Now you are in heaven with him. We will all meet again. You will be greatly missed by all. R.I.P. My Friend. Connie Morgan-Lawrence, Kansas*

“ *Petite was the most loving person. I remember one time going garage saling & loading her van up with baby stuff for my daughter. She was always helping someone. I love you & look forward to the day I will see you again.* ”

“ Words cannot express the sympathy I have in my heart for all of Petites family and her many friends ,especially my long time friend and neighbor ,Jeff Gardner . Its already been proven to me that heaven only takes the very best and I know in my heart she is already reunited with lost loved ones ,including Billy and Jesse Pottorff . I did not know her as well as my son Jesse did but I do knowthat he always had a very special place in his heart for her. May God Bless you all and give you strength in the coming days .
