“ *Phil leaves a big hole in the hearts of anyone who knew him, but also leaves a BIG mark in the lives of so many-- treasured friend, extremely skilled and compassionate paramedic and RN, dynamic educator, loving husband and father, and known to a few of us-- consummate actor in an ED active shooter drill. I'm so lucky to be able to call him friend & I'll never forget how many ways you reached out and made my world a better one! I'll miss you!*
