“ *I used to love going to my Aunt Phyllis for coffee with my dad. We would sit over there for hours just talking into the late night hours. I will never forget her and will miss her terribly. God bless my Irish Aunt Phyllis . My thoughts and prayers are with Shelly, Teri, Brad, and Debbie through this difficult time just know that your mother meant the world to me and I loved her very much. I just can't imagine that I am not going to be able to go over to her place anymore and talk about things.*

“ *Phyllis and my mom were besties years ago. I met Phyllis thru mom. Whenever my mom would call Phyllis my mom would say "Phyllis this is big beautiful me" and Phyllis would know it's Alice! When I would call her after my mom passed I would say "Phyllis this is big beautiful me's daughter!" She knew it was Allison. I always made sure I made time for Phyllis when I visited Kansas. I will miss her so much. I loved her laugh!*

“ *My Aunt Phyllis was such an influence in my life. I could always go to her and talk about anything. She never judged just listened. She had a powerful voice and even more powerful laugh. I am going to miss that. She loved her family beyond measure. She welcomed the whole family every year at her place for the holidays and those memories are so precious to me. It was so special to me and I know everyone else. I know she is now with her husband, her mother, her sisters, and in her words her best friend, her brother, Mikey as she called him. What a wonderful reunion in heaven right now. Thoughts, prayers, hugs, and love sent to her kids and their families right now. We loved her so much and love you as well. Stacy Erskine*
