“ I went to high school with Randy but didn't really know him then. Once we realized we went to school together, we had no problem trash talkin other classmates whenever we would see each other. It was great! He loved Angie and embraced her kids as his own. His wicked sense of humor is what I'll remember the most. He fought bravely to keep going but his body had different plans. Don't worry Randy.... we'll all love Angie enough for you too. Rest in peace.... we got this!

“ Here is to a very special man ! His laughter and good humor will stay with me forever and with out his guidance and hard work I would not be living in my Dream Home. He will be greatly missed. So, I raise a cold long neck Bud Light to my friend, I love you Man!
