“ *Linda, Sandy, Elyse, Erin, Stacy and Family,*

Surveyor, Cartographer, Astronomer, Mathematician, Explorer, Adventurer, Traveler, Friend and Brother are just some of the terms I would use to describe Randy. Living vicariously through Randy, I always admired his love of the outdoors and adventure for a new challenge. Many of us at Phelps Engineering will miss him deeply but will always cherish the memories we shared. Our heartfelt sympathy goes out to each of your for your untimely loss.

“ Randy's parents, Don and Donna, were good friends with our parents, Bill and Winnie Braden. The adults spent many a Saturday night playing cards while Mike, Randy and my sisters and I hung out together, sometimes putting on plays for the grown ups. We even lived next door to Randy's family for a few years on Shawnee Drive. (Sandy came along a little later.) Mom, Dad, Mary, Billie and I were fortunate enough to visit with Randy at the hospital a few weeks ago, reminiscing and catching up. Our deepest sympathies go out to Sandy, Randy's daughters, grandchildren and other family members.

“ Randy worked with my brother, Gary Loumaster, and that is how I came to know him. He always made me laugh with his sense of humor and witty remarks. I was saddened to learn of his death. He will surely be missed by many. Rest in peace, Randy.

Met Randy in kindergarten. Went to school with him until high school graduation. Had many good times. Even went to Sunday School together for many years. I remember going "trick or treat for UNICEF" together with our Sunday school class. He always kept everyone laughing. So sad to hear of his illness and passing so young. Sadly too, I had to work the day of his memorial. Condolences to the family. Rest in peace, dear friend. Judy Guzan (Bowlin).
