“ *R.D. was my brother Howard (Stamper's) best friend and neighbor for many many years. I am sure they are exchanging stories right now. My sympathy to the family as it is always so hard on those of us who are left behind. Stay strong and know that you will see him again.*

Sincerely,

“ *Sharon, Michelle, Stephani and family - I am so saddened to hear about R.D. Please know that my memories of him will always be of the ornery, yet happy, funny and caring man. The world will not be near as bright without his (seemingly continuous) smile. I remember him SO well from my childhood spent at fire stations and assuredly, a few side jobs that he and my Dad had building something together?!?!*

He was a great man and it was an honor to know him.

I came on the fire dept. in 1974 . R. D. was one of the first fireman I worked with and he became a good friend . He was always willing to help anyone . Never spoke ill of anyone. when my son was about 5 and came to the station R D nicknamed him the hulk . Even after he retired and my son was in his 20's he would recognize him and call him the hulk . He was a very good man .My sympathy to all of his family . I am sorry for your loss but I want you to know there are many of his brother firemen who feel like me . When ever the old heads get together we will remember R.D. and will tell stories about him.

Thank you a few years late. My dad was a hell of a man and a great father. He loved everyone and life. Not necessarily in that order.
