“ i would like to start by saying I am so sorry for your loss. I've known Re'na since we were kids. My mom was best friends with her mother Carol and I used to babysit her. I couldn't believe how much she grew up when I saw her a couple of years ago. It was nice to see her & hangout with her again. She will be truly missed

“ She'll always will be remembered ... we met in a place where only the strong survive and she taught me how to overcome obstacles... her beauty was captivating along with her soul... Re'na was one strong woman, mentally, emotionally, physically and spiritually. I'll never forget her smile and quick witty ness and the day I got out from our journey she still reached out and told me about potential obstacles... she was the same person throughout any setting she kept it 100... love you girl.... sure will be missed... 🙏

“ I remember one time she asked me to give her a ride and I just assumed it was somewhere but oh no I was clear in BFE but in the mean time she wanted to stop at Wal-Mart we all went in (Bertie, Réne, and myself) we were in there for hours I bet we walked up and down every isle at least 2 times if not 3 times before we could check out she even insisted her mom and I get something so I picked out a shirt so we could leave... Anyways the ride ended up taking like 4 hrs round trip... And the ride oring originally was suppose to be a ride just down the street... When we (Bertie & I) got back home I told her Bertie remind me to never say yes again....just a fond memory... Réne had a heart of gold a person with a good soul... She's was loved by many and will be missed by all... Rest in peace Réne until we meet again....
