“ I just found out about Becky's passing. My heart goes out to Melissa and family. When my son passed away 8 years ago at age 31, Becky sent me a letter he had written to her daughter when they were just little kids. It meant a lot to me. Becky.....you will be missed. Shannon Pitts-Vanatta

Beck was a great and wonderful friend, she always talked about her Kids and Grand Kids and would do anything in the world for all of them and we know she did many many time's. I hope and pray her kids and loved one's stop and think about all the things this Mother and Grand Mother has done for them helping in anyway she could or new how. We will deeply miss Becky and she will be in our heart's forever. God Bless

“ I met Becky over 30 years ago. She was my bowling buddy for alot of those years. Sometimes we went long periods of time without seeing each other, but when we did, it was if no time had passed. I love you Becky and I'll never stop missing you!

“ To the Best Momma a girl could ask for. Thank you for always being there for me when I needed you. You were my Mom and my Best Friend. I will miss you every second of every day! I don't know what I will do without you here, but I know you are in a much better place now. I am glad we got to have our family Christmas together before you decided to go be with the rest of the Angels. Hayden Matthew loves you with all his heart and will miss you deeply. He always enjoyed the time you guys spent together!! RIP Mom and I will make sure Dad is watched over as I know you will be watching over him from above. Love you forever and always!! Kimmy
