“ *Reny always had a huge heart and loved all of his friends and family with a true heart which is so rare! He always went out of his way to make everyone feel good about themselves and always had a funny joke to tell always made me and everyone else smile! My heart goes out to his family I cannot even imagine the pain they re going through. I always have great memories of Reny!*

“ *Reny was the outspoken, funny and fast talker of our group. He was the one that took over this responsibility of welcoming everyone and making sure no one was left sitting in the background. Reny took the time to make us feel welcomed with a quick pat on the back, a fist bump or a hug. He made us feel heard and loved with his goofy grin and a quick joke before he took off to dance the night away. I will miss his laugh and his encouragement to get up and be a part of something bigger than myself. I wish his family peace and hope that calmness washes over their grief with knowing that his life impacted so many people in a most awesome way. Reny, continue to love us, make us laugh and feel special. I know you will be the one waiting to welcome us all one by one on the other side. We will miss you.*
