“ This man was one of the most amazing men this world had! Words cannot describe all that he did in forming who I am today. He was always compassionate and caring. He had a huge heart. He did so much for me during the hardest times in my life when I thought my world was at its end. I cannot ever repay that. I thank you for sharing him. The memories and all the love will continue to help me through this life. There will never be another "grandpa Joe" I send all my love and prayers to his family. May God help you through this time and know that you have lots of love.
