“ *I worked with Ricardo for several years.*

I will always remember his positive attitude and his calm demeanor when troubleshooting equipment issues.

He was always there for a fist bump and a laugh when i saw him in the plant.

Rest In Peace my friend.

“ ROC, I will never forget your birthday this year. We was kicking it at your house and You introduced me to a bunch of your people I had never met, You talked about me to your homies, and my new girl like I was one of the best dudes you ever met, and made me feel amazing. Ill never forget the bouncy house either. I bounced you into the side of that thing and had to pick you up so many times. You was my brother, my friend and I have never met a more positive person than you. Working together these last 8 years have been a real blessing and I am so fortunate to have built a bond with you. I will miss you every day, I see your work here and the true craftsmanship (you a bad dude :)) you put into what you did and I always think about you. You will forever be missed my brother. Glen
