“ Richard was a good friend and always had a smile for everyone! He was a loyal witness for his God Jehovah and will be remembered and missed by his close friends at the Kingdom Hall! We all look forward to seeing him soon in the promised and looked forward to resurrection to life on earth!

“ We've known Richard ever since he started attending Indian Creek congregation of Jehovah's Witnesses in olathe. What a pleasant man Richard is! The comments he shared at our meetings always seemed so well thought out, and so eagerly delivered - as if he was in a hurry to get alot out in a short period of time.

Just this past Sunday Richard was interviewed at our circuit assembly by a brother discussing how Jehovah is the perfect father. Richard's responses to the questions were short but touching. He told all in attendance how he had felt Jehovah's loving care and attention when he had asked Him for help to turn things around in his life. Afterward i told Richard i wanted to hear his whole story. He said it was a long one. I said we'd all sit around campfires in the new world and listen to each other's stories. Richard responded, "Okay, but watch out because in the future you won't be able to tell me: 'Brother, i don't have time to hear all this!' "

“ Working with Richard at HD was always the highlight of my day, especially since we shared the some work ethics so we got so much done when we worked together and we had fun talking and laughing as we worked. After I retired, every time I'd go to HD, I'd always find my friend usually working in an aisle. I'd walk up behind him and give him a hug as I asked "Guess Who" then I'd give him a kiss on his cheek and get my hug from him. Several times he & Whitey came to our home just to visit with us and see how my husband & I were doing. Richard was always a "stand up" guy and a very good friend... I can't find enough words to express the how devastated I am of his passing. To his family, I am so very sorry for your loss... I know how much he loved you and how happy & proud he was becoming a Grandpa. Cherish your memories of him, they will be with you forever. . . God has called another Angel home... fly high my Dearest Friend, you will continue to be in my thoughts & heart until we meet again. <3 Love ya, Terry Ensz
