“ *Geralyn,*

My deepest sympathy to you and your family. I know it has been a rough road for Rick over the past few years; may he now rest in peace. May you find strength and comfort knowing he is no longer suffering and in a glorious place watching over you now. You were his guardian angel and now he will be yours. My prayers are for your strength and for your family as well.

Geralyn,

I was sad to hear about your husband's passing. I don't understand what you are going through since my husband is alive and well, but I do understand losing a loved one. I pray that God continues to comfort you and your family during this season in your lives.
