“ This is to Richards Children, Grandchildren, and to those who Truly knew him and loved him.
Richard is my great uncle. i never knew him. until 1999 . I am so glad to know him.
Such a Happy man, full of energy and the love of God.
He wasnt a ordinary guy he was so special everyone loved him that knew him.
we laughed, prayed , sang, and read the bible together. He would walk the floor praying for his loved ones , , chidren, grandchildren ,family and church family.
His Greatest wish was to see all of his children and grandchildren be saved and know the Lord like he did. And he is now interseeding at the throne of God for all of you.

when i stood looking at his fleshly body. I felt such a Great Joy come over me. I wanted to jump, run around the room like he did when he would get BLESSED at Whyandotte Tabernacle the church he loved so much.

He looked like he was just standing in the presence of the Lord in reverance.

Such a Wonderful feeling. it brought back all the feelings of Richard and i praying together and alot of times him praying for me.

He truley is a man of God. He was the Dad, Grandpa, i never really had.

and a Great friend. He loved everyone.

And lets not forget HIs first wife EVELYN WILSON # 1.. OH how he loved her. And he talked so much about her. I never got to meet her. But the things he talked about i felt as if i did knew her and I always felt like she was right there. She was a Great mom, Grandma, and friend, i know in my heart because of what Richard talked about.

And he could not wait to be with her again. He wanted to see his Lord and Savior Jesus Christ first and then his Wonderful wife that he missed so much.

Tears would come to his eyes when he talked about her.

So each one of you have a lot to look forward to. when you follow Jesus.

First you get to see Jesus, then Richard, and Evelyn # 1.

It will be worth it all if you give your Heart and Life to Jesus Christ. Nothing compares to the Love that Jesus gives ya. The one Richard your Grandpa, Dad. uncle, Great Uncle and Friend loved and lived for:)

“ The memory I have with my grandfather is of the mulberry tree that was in the side yard of the house on Melody Lane and how we use to get in trouble by grandpa for eating to many and making ourselves sick!!
