“ I have a couple of memories about Uncle Bob the first one is when aunt Robin & Uncle Bob came to Chicago not that long ago. Uncle Bob was playing toys with Joey & they were like two peas in a pod playing with action figures. I love seeing them play. My second favorite memory of Uncle Bob was about two months ago when we came to Kansas. Uncle Bob, Joey & Cheyanne was sitting on the couch watching Pokemon. He just loved making the people around him so happy. Also that when you would tell him that you loved him he would always say "i love you more" 💕

“ My greatest memory of uncle Bob was his strength, perseverance, and love for the Lord. Fly high Ring the bell again, You are free. Love you We will meet again... Your laughter was contagious.. Go rest high.. Your work here is done.. God needed to add another rose to his garden and HE chose you.

“ Uncle Bob always had a way to make you laugh even when you didn't feel like it. I remember when Mike, Bobbie and me all ran away we had packed some can goods and was going to jump the train, be hobo's, we got down by the tracks hid in those big concrete tubes to wait on the train and we realized we didn't have any thing to open our can goods, Next the police took us to Maudie's and we all got spanked with a wet wash cloth. But Bob not as hard cause that was Maude Emma's little boy. He has always showed true strength, adventure and in the end deeply loved the Lord..Fly high uncle Bob. We will meet again...love forever. You have won.. Ring that bell again when you get there..

“ My greatest memory of my uncle Bob was him playing Santa Clause every Christmas. I used to really think he was the real Santa because he knew our full names. I have so many that will bring me peace. I smile today knowing that he is reunited with his biggest fan, my grandmother. R.I.P Uncle Bob, until we meet again ❤️🙏😊
