“ Sorry to hear about Bob's passing. He seemed to be an avid hunter and fisherman. Some of my greatest childhood memories were with him, our dad Jerry and uncles Charles and Tom Vorbeck (Bob's cousins) Quail hunting and fishing with trot lines at the "Police Cabins" south of Chillicothe Missouri in the area Bob and his parents and grandparents were raised. He cooked the best fried catfish ever and the bacon wrapped quail were outstanding. Condolences to Dale and Helen Ann Olive and all of Bob's children.

“ There were so many memories of times with Bob. Many smiles, laughter and a drink or two. He would help with anything you might be working on and might even teach you a thing or two. A great cook on top of it. Was always a big hit at block parties. My mom would always say call me when the fish was ready. Bob you played this game of life well and have left a lasting impression for many. Take care.

“ I had the privilege of being a caregiver for Bob for the last couple of months. Even though he loved to watch his Western shows and working his crossword puzzles I could see in his eyes and tenderness the love he had for Dolly. Sometimes she would just sit down on the side of his bed and they would give each other a kiss. No matter how much pain he was going through he wanted to give her that kiss. He will be missed by all of us.

“ I have lots of memories of my father-in-law through the past 46 years. I remember when Larry and I wanted to get married at the "mature age of 18 and 20" and Bob said "no your not" and Larry kept saying " yes we are" but we needed his signature at the time. It was quite a discussion but the rest is history. Bob always showed me respect and love and he cared for his family unconditionally. He loved having people over to his home, the fish fries were infamous and there were always stories to be told of the ones that got away! I will miss him. Rest in Peace, Bob.

“ I was lucky enough to get to be a caregiver for Bob and Dolly the past several months. We got laughs in and I learned his favorite foods. For months, we would walk back and forth in the living area for rehabilitation... he was determined and strong-willed.

I learned much about Western movies/shows than I had before since he loved them so much. He also completed the daily newspaper crosswords with much more ease than me. I remember how he was thankful for my help, even when he was hurting or I was reminding about medications. He and his loved ones will stay in my heart.

“ Bob was part of our family for over 6 decades. He was always in my life and my Dad, Lee Summerlin's, dearest friend. My brothers Alan and Jim, my sister Rita and I, all grew up with Bob, Pearl and the boys and had the pleasure of knowing Dolly as well. I remember well as a child accompanying my Mom, Rita, to Bob and Pearl's with the whole family pitching in to prepare for the annual Wild Bird Feast. To this day I never tire of the re-telling of Dad and Bob's many adventures hunting in Burr Oak and other places over the many, many years they enjoyed together. Bob will always remain a very special person in my life. He was a world class character and a genuinely kind man.

“ I have very fond memories of all the dinners and family get togethers at Uncle Bob's. I loved playing with all my cousins, causing some trouble, and enjoying the happiness that extended family provides. I also remember Uncle Bob's lovely garden and the wonderful fresh vegetables he shared with my family. I will always hold him close to my heart.

My Uncle Bob has always had a special place in my heart . As a little girl I can remember family fish fries, his wonderful garden and the fireworks show he did on the 4th of July. He also was a teaser and always made me laugh. Love you, Uncle Bob
