“ Robert I was glad I was able to come visit you in November. I told you I would come back and now Dear Brother I'am back but you are not here. I will celebrate you and cherish all the memories I have. Judy and you traveled a long difficult path through your illness. I know you went to be with the Lord. No more pain and suffering. You fought a long battle and now you have comfort and peace. I will miss your voice on the phone, your stories and that mischievous laugh. We shared a lot and Even the teasing but through it all the special love and bond we had was not broken. I will love you forever and I plan on seeing you again. I thank God for helping me come in November to be with you. You said it was a good time to come. Love your Sister Nancy Braun❤️

“ Little Brother

You suffered for a long time, and for your sake I am happy that the Lord has finally let you rest. I pray that your new journey, is a pleasant one, that the pain has left you.

I was so happy to see you in September 2014. We had a great couple of days.

To your family in Kansas, Please accept our love, and know that we share in your loss. My little brother always one look over the mountain, to accept the adventures that lay ahead.

He has left us in body, but his memory and spirit will live on in our hearts forever, as he goes forward to blaze new trails into the unknown.

Rest in peace Little Brother, your memory will always be with me.
