RE

“ *The first time I saw Rob was at Christie's market at 14th and Douglas in KCK when we were both 7 or 8 years old, he told me later that he felt intimidated because of my big stature, but I am honored to have called Rob, Ozzy, Osborn my friend. My mothers Maiden name was Osborn so I think he felt like family with us. We attended Argentine together for 6 years and hung out some after that, but things and life have a way of going on. If I went to telling stores this page couldn't hold them all, but I have some found memory's of Ozzy. I long to see him in the eternal Kingdom of Jesus our Lord and savior.*

“ *To Robert's family, we are so sorry for your loss! We always called him, Bear 🐻. He was one of our best friends we met when we moved to Kansas City! He always full of wisecracks and wonderful poems that he loved to share with everyone! He loved to laugh and have a good time. He would set his phone up that when you called him, you would think he answered but you would always get his answer machine with a nice little poem! With a laugh! Bear 🐻 always made the best pickles and taught Bob how to use a smoker! After a couple years Bear 🐻 finally gave Bob Blessings on how well he cooked on it! Our sons, Michael and BJ loved growing up around Bear too! These are just a few words of many that could be said about Bear 🐻 We will miss Bear 🐻 forever. Rest Peacefully Robert 🐻 Osborn!!!*
