“ *I met Robert while we were both working for the Union Pacific, but just for a fleeting moment on an engine. I recently talked to his son Bobby about his father, family and work just Friday. The moments we have have with each other seem so fleeting, love and sacrificing for your families take a huge portion of that time. Families reflect the parents time, love and devotion . Cherish the time and love the moments. From my family, our heartfelt condolences to the entire Santoyo family.*
