“ *To my father in law
I promise to be there for Robert and the kids. To make sure we always remember the good times we had with you. Your laugh when someone told the corny jokes. You're love for family, the trips you took them on to McDonald's after they spent the day working beside you. All the hugs they received from you. The school events you attended. I just hope you know how much love and respect I have for you. This huge whole in our hearts will never fully fill. I just hope you're watching over us and know we love and adore you .
May you rest easy
Love always
Jennifer*
