“ It's been years...too many years since I've seen Rodney. I was a lowly Alarm Operator and Rod was a young parametic on the KARE Unit. He always stomped into the Alarm Room, arm extended for a hand-skake and a grin from ear to ear! He appeared always to be in a really good mood, even if I was not. Anyway...he'd have me in a better mood in nothing flat. I don't remember ever seeing Rodney in a bad mood. I regret that after my retirement, I never saw him again. That was my loss. Richard Smith.

“ Seeing his photo brings back memories from the old Bethany Medical Center days , along with fellow KARE unit co workers Al Kreuger and Bobby Kennedy. Rodney was very friendly, kind, outgoing to all. RIP Rodney--- Vickie Taulbert

“ *Kim and family,*

Special thoughts and prayers to you all. I'm so glad I talked with Rod in June of this year and got to meet Kim over the phone. We got a chance to catch up and have a few laughs. He was so happy and so settled.

I met and married Rodney in the early 70's - he was one of a kind. Sadly, with C-19, I will not be attending the memorial on the 14th, but will be thinking of you all. Kim, I will contact you later in the month.
