“ I just saw the article in the paper today about motorcycle deaths and saw Roger's name. I was out of town the week this happened, so I missed his obituary and would have come to the funeral. I am so sorry and saddened to hear of Roger's death. We were good friends in junior high and high school. We spent a lot of time together fishing and hunting. He was part of my family back then. My heart goes out to his mom and wife and kids and all his family. He was a good guy. When I was in the service, my wife's car broke down and he was the one she called for help. Always knew we could count on him. Sadly, we lost touch over the years and he will be missed and live on in my memories.

“ Marie & Family, I cannot begin to tell you how heart sick I am that Roger is gone. He was so loved by everybody that knew him. I don't have to tell you, that he was always a loving, giving man with so much passion for life. He was my husband for a period of my life that I will never forget, we always remained friends because he was just that kind of man. I have wonderful memories of his crazy antics and fun loving spirit. I could tell you stories but they would most likely be a tiny bit x rated (smile) as were most of his Tee Shirts. He made us all laugh at life and ourselves. What a witty person he was. His family always meant everything to him and I know he will be hugely missed. My heart goes out to you and my prayers are with you, I pray God will take away the pain of your loss soon. He is our loss! The world won't be the same without Roger Chapman in it. "Roj" you are missed and loved. Ruthie

“ *What could I ever say that would even begin to describe the Roger, we knew and loved. But, I'm at a loss for words. He was probably the kindest and sweetest man, I have ever met! He would give you the shirt off his back if you needed it. If you called, he would be there as soon as he could. I think he thrived to banter back and forth with me, but I believe he had no idea he had definitely had met his match, when it came to bantering with me! With tears flowing down my cheeks, I so desperately attempt to put into words, what this man meant to everyone who knew him. My mind refuses to function as I wish. Senseless, it is utterly senseless....that we are forced to say goodbye. Our thoughts and prayers go out to his family. Rosie...you know he would never leave you, Missy or Ringer, if it had been his choice. That choice was taken from him in a split second. Oh how I wished I could turn back time for all of you and all of us he had to leave behind. There isn't any doubt, he made his mark on each and every one of us. He put his heart and soul into everything he said and did. Godspeed Roger....I have no doubt you will protecting all of us from above for now on.*
