“ *I am so sorry to hear of Rose's passing. We lived next to her for 12 years and she was the most amazing neighbor anyone could ask for. She loved our kids, never forgot their birthdays, watched out for us and our home, loved our dog and invited us over to share stories on the porch and enjoy her company on a regular basis. When we moved, it was hard to say goodbye to such a great neighbor and friend. Her kindness and care for our neighborhood was unmatched by any of us. She made us laugh and reminded us of who was who all the time. She knew everyone by name and something personal about each of us. She knew when someone needed help or just needed a visit or a friend. She was a great lady. She will be missed. Our thoughts and prayers are with your family.*
Sincerely,
The Durbins

“ *To our beautiful friend and neighbor, Rose. Such a great, giving person. She knew our every move and we loved it. Don't know what the 7400 block of Pennsylvania will do without her except Dawn said she will be watching us still. We'll carry on in her name.*

“ We lived two houses down from Rose and had many enlightening conversations with her. You couldn't ask for a better neighbor with a watchful eye. She will be missed and was a beloved part of the block! Keeping you in our thoughts and prayers.
