“ Sorry fir the loss of your Mother Rosa. My maiden name was Hill also & my oldest brother was Eugene (Gene) Hill. They both went to Argentine HS together. My Aunt Lena’s maiden name was Moore related to your Mom, so we always said your family & ours were extended family. Used to keep in contact with Gene & Tisa but loss track years ago especially when your parents started traveling. I heard your Dad passed away but didn’t know due to my Dad & brothers were going through some tough health issues. I just wanted to let you know our family was very fond of your parents & so sorry fir their passing. At least they will be reunited in a better place. Praying for your family. God bless each of you at this time. From one Hill family yo another our thoughts & prayers are with you.

“ Rosie had 3 children of her own - but there were many more that was able to enjoy her love, life and stories. I and many others were class mates to Gene and Gary - it was the Hill's home we went to after school and on weekends. She knew how to welcome us with love and good times. I don't think any of us will every forget her Hollween Party's! She was a mother to many of us. Rosie will be missed dearly and never forgotten.
Gene, Gary and Kathy - thank you for sharing your mother with us.
