“ *It seems so surreal to be writing on this page. Rosie, you were so special to us. Regardless of what you say, you have known me my whole life. We had lots of fun... from staying with you and Linda in the summertime, going to the drive-in, swimming at your mom's pool and never ever ever touching your hair. There are so many stories we could tell. You were involved in every aspect of our life. You were a wonderful aunt to Kaitlin & Evan. We will always remember you. May you be celebrating with your Mom and Dad and life in eternity with the Lord that you served your entire life. We love you, Rosie.*

Seems like I've known Rosie all my life. Lived together for 42 years. Her cats -- especially Dallas -- miss her a lot -- they have taken over her room for now. I think they can still smell her on her clothes in the closet where some of them sleep. It was fun while it lasted, Rosie, especially going to the races in Omaha, at the Woodlands and then to the casinos; you and your mother would have shared a lot of time at the casinos. These last 3 months were rough, but now that's over and we can finally get your hair fixed properly. Miss you lots.

“ *Rosie was like a Sister to me, I knew her for as long as I can remember, We spent 50 years doing things together, from swimming, tennis, bowling state fairs, concerts, waiting in line all night long for Elvis tickets to even Living together. I will miss her terribly and will never forget the many laughs we had. Love you Rosie*
