“ *Misty and Audrey may the love of God and others carry you today through this rough journey. My heart hurts for you but I know that God will carry you. David Crowder's song "I Am" is an uplifting reminder that God is holding on to us in the middle of the storms. I love you. Phil Graham*

“ Russ and family were always at our Memorial Day, 4th of July, and Labor Day pool parties, and many other events throughout the years. Here are some pictures of Russ hanging out with various people.

In almost all of these pictures Russ is smiling. That smile, witty conversation, and a true caring heart are all the features of Russ we love so much, and will miss even more. You are a true friend and you will be missed.

I cannot imagine the pain and suffering his family is going through right now. Hugs to Misty and Audrey.

“ My condolences on your loss! I worked with Russ for many years at Banta/RR Donnelley, and he was a truly gifted man. Great sense of humor and always a pleasure to work with. He spoke so lovingly of Misty and Audrey, and his family and friends; you could tell he was a true family man. Big teddy bear with a heart of gold; he will truly be missed. Deepest sympathies,

“ My memories of Russ are all good memories, from the earliest days that I knew him when he and Coy were going to school together and sharing a place to live. Russ had a wonderful mixture of humor and seriousness about him and was always full of wit. He will be sorely missed and I want to send my love and support to Misty and Audrey, and all of Russ's family, in this time. Russ's passing is one of sorrow, but I will celebrate the joy and life Russ had with his family and friends. - Geoff Habiger
