“ *My brother has always been there for me. When I was a little girl I remember him building a child sized couch for us girl's. I felt so proud of him. Mom always struggled getting the things the 4 younger siblings wanted. But he was always there for us. He would take us places and I always loved staying with him and June. And when I got married he was always willing to help me. He was witty, smart and handsome. Fun to be with and always trying to get me to dance. I could go on forever the memories of all the good times spent with my brother. Many happy memories and lots of funny ones. He use to call me Claudie ree ree and toilet. But that I will keep with us.lol Love you brother and will miss you so much. Heartbroken for sure, but I know will see each other again. My prayers go out to his children and grandchildren the whole family. God Bless*
