“ *I'm so sorry to learn of Aunt Ruth's passing. She was always kind, caring, and wonderful to be around. I know how much she will be missed by those who knew and loved her, but I hope the many happy memories of which she was a part will bring peace to their hearts.*

“ *I know that you will forever miss your mom, but I hope that it will help ease your pain remembering how very special she was. Aunt Ruth was truly unique and remarkable, and the love she had for family was unmatched. She will be missed, but it is comforting to know she is again in the loving arms of Uncle Russell.*

With love

“ My condolences to the entire family for such a sad loss. I know you have many years of wonderful memories with Ruth that I hope will bring you much comfort now and in the future. And Carol you were so good to her and I know your siblings were too. You made sure Ruth had the happiest life possible and she was truly blessed to have such a wonderful daughter and family.

“ I did not know Ruth but I have been friends with her daughter Carol for more than 30 years. Carol is so kind and generous that I know her mother had to be an exceptional person. I send my love and prayers to Carol and her sister and brothers during this difficult time.
