“ I never had the chance to know Ruth personally, but sometimes you can know someone through what they leave behind. She raised a kind, loving, and thoughtful daughter. Courtney honors her mother in the way she lives and cares for others, and that says everything about the woman who raised her. Raising a child is never easy, and Ruth did a beautiful job. Thank you for raising Courtney—she carries the best qualities of you. May God keep Ruth in His care and grant peace to those who loved her.

“ I got to know Ruth working with her at House of Rocks. She was a pleasure to be around. Always seemed to be in a good mood, funny, and everyone seemed to like her. Not that she wasn't opinionated, but she was a joy to work with. She will be missed by many.
