“ *Salome aka Betty we did not spend much time together as I grew up and moved away but I did visit you when I was in town. My thoughts go back when I was very young and you took care of me for that reason you were often in my thoughts. So much to say but too late I know that you are in a good place now with Juanita and as a Christian. You will always remain in my thoughts and until we meet again, Rest in Peace and I will continue to say a daily pray in your honor. There are no words to comfort those left hurting the pain is so deep one's heart aches and the tears come all the time but God helps us through such a painful journey. Love your sister Mariana*
